

## WAYS AN OMGA CHAPTER CAN SUPPORT THE "SEND-A-FRIEND" PROGRAM

Continuation of the Send-A-Friend award program in future years is dependent upon the generosity of both individual OMGA members and OMGA Chapters. There are three ways your chapter can help to support the "Send-A-Friend" program:

- ❖ You are encouraged to ask members to seriously consider donating as individuals to this fund. If your chapter is in a strong financial situation, consider making a chapter donation to the fund.
- ❖ Support the Send-A-Friend raffle at mini-college. This is a fun way to get involved and have a chance to win a wonderfully filled basket of gardening goodies.
- ❖ Offer individual chapter scholarships. Your chapter may have funds available to send a member to mini-college without using Send-A-Friend scholarship money.
- ❖ Hold a Send-A-Friend activity such as a raffle, used book sale at your Chapter fundraising event.
