

**Oregon Master Gardener™ Association (OMGA)
Extension Educator Grant Program**

To:

OSU Extension Community Horticulture Agents, Program Assistants or designated OSU Extension staff who are responsible for county Master Gardener programs.

Enclosed are information and an application from the Oregon Master Gardener Association's Extension Educator Grant Committee. The grants support county Master Gardener public education programs to support and improve home horticulture.

Please review this and if you wish, submit an application by mail or email by

May 15, 2012.

We hope you have an education project with which we can possibly help financially, and if so, that you will apply for an education grant.

Sincerely,

Terri Hoffman, Extension Educator Grant Committee Chair
